"The [Clash for a Cure Game] game really meant a lot to me because both years I represented two of my family members. Raising money and making a difference in peoples lives had a huge impact on me, personally. It's all about helping people and giving back to the community. It's one of the most rewarding feelings ever."
- Senior Blake Desander

Jordan Pollard '15

J. Beltz '15 and R. Schauman '15

Over the past five years, Freeland has come together not only as a school but as a community in order to support the Clash for a Cure cause. The Clash for a Cure game has raised massive amounts of money that is donated to help cancer patients in the

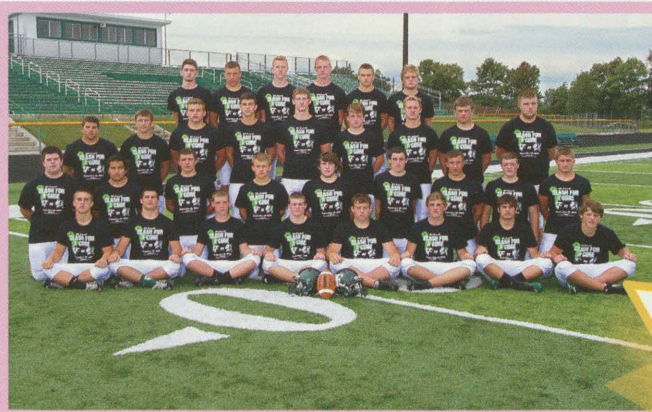

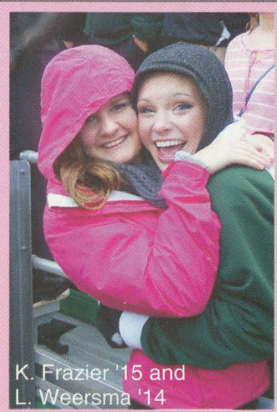

mid-Michigan area. This year's game was different than most because the players represented those who were or are currently being affected by cancer of any kind.

On September 12th, the Clash for a Cure activities began. The school day ended with a pep assembly and a speech from Head Varsity Coach Kevin Townsend. All the students waited until 6:30 that night when players lined up with their sponsor to honor those who have ever been impacted by the disease. That moment between a player and a sponsor is special and recognized by the entire crowd.

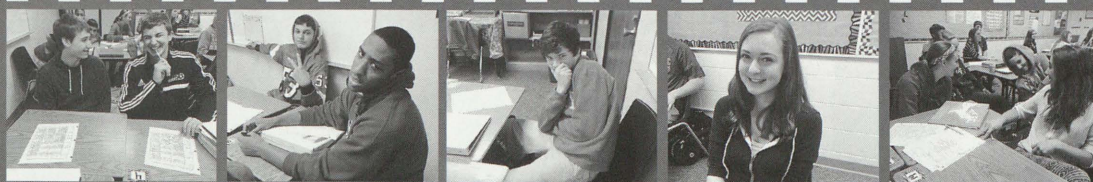

"The crowd is like nothing else," said senior Running Back/Corner Back Ryan Schauman. "It gets me nervous and excited." Although the players may have been on edge they certainly did not let it faze them. The Falcons took on the Chesaning Indians and the team dominated the gridiron. The Falcons shut-out the Indians with a final score of 42-0.

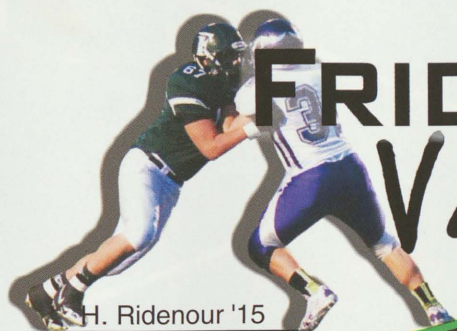

"With emotions flying high and distractions all around, the boys were able to fight through the weather and play a great defensive game," said Coach Townsend. "I couldn't be prouder of the boys." Total the game raised just over \$16,000 dollars that was later donated to MidMichigan Medical Center. The community continues

to come together each year to support a great cause.

B. Whitting '16

J. Jankoska '15

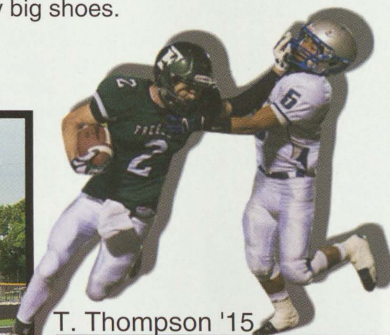

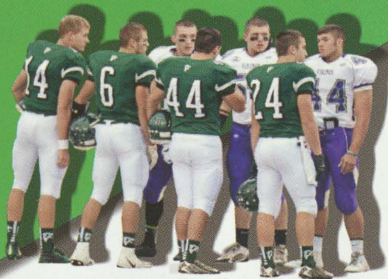

The Freeland Varsity Football team is no stranger to the playoffs now having competed in the postseason for seven consecutive seasons. The hard work and dedication of the team has certainly paid off this season. The team worked as one and came together to achieve goals and do something that will be remembered forever in Freeland Football history.

October 3rd was D-Day in the Freeland athletic world. Even though the Swan Valley Vikings defeated the team 14-7 on our home turf, the Falcons still had a chance at redemption against the Menominee Maroons in the playoffs.

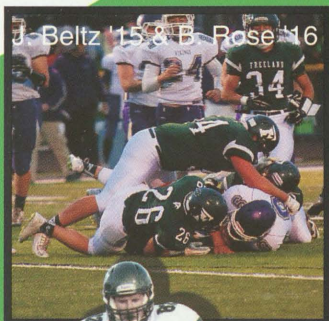

"My favorite game of the season was the Menominee game," said junior Ben Whitting. "The atmosphere was [not] dull!"

The boys finished their battle throughout the regular season with a record of 8-1, leaving two teams in the dust with no points on the scoreboard.

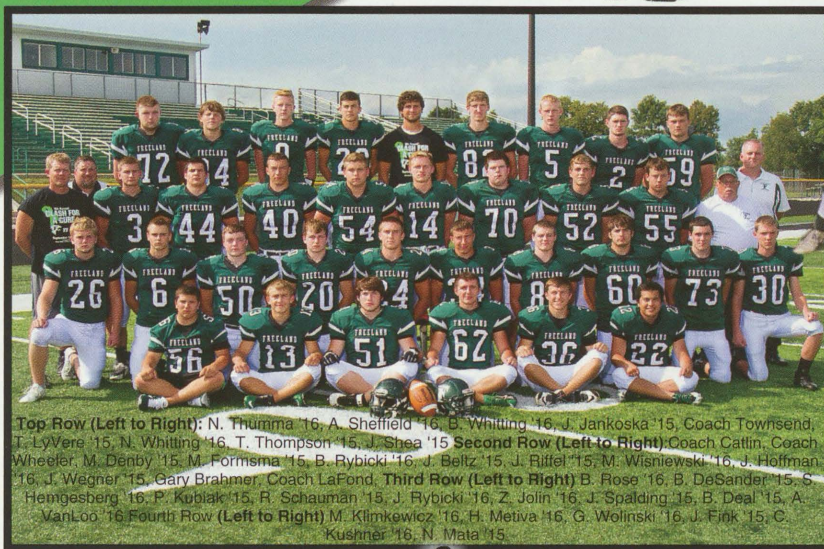

After defeating two teams in playoffs, Freeland lost a well fought battle in the regional finals against Menominee High School with a devastating score of 43 to 35. The bar has been set high for next year's returning sophomores and juniors who will need to fill some very big shoes.

VARSITY BOYS SOCCER

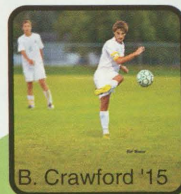

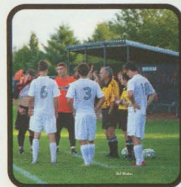

With all fall sports in full swing at the beginning of the school year, athletes from every sport worked hard to ensure that personal and team successes for the 2014 season were met. Losing only a few seniors from the past season, the varsity boys soccer team dominated the first three games and ended the season with a solid record.

Despite the challenges of not having a junior varsity team, the two teams combined to form a dominating force. With the strong leadership on the field captains senior Ryan Trahan, senior Ben Crawford, and junior Riley Vasold stepped up and led the way for their teammates. "Our biggest accomplishment was our record. We had doubled the wins of last year and we accomplished this by coming together as a team," said Vasold. The boys played against tough teams like Valley Lutheran and Swan Valley. Even though they may not have won every game and struggled at times, they still gave it all they had. "We played well against them but we were unlucky on the outcome," said Crawford.

Every season has its up and downs but what makes a season significant is the improvements made and the memories shared. This team showed true teamwork every game and worked hard for their wins. They made unforgettable memories despite the challenges faced this past season.

We Rule This Game

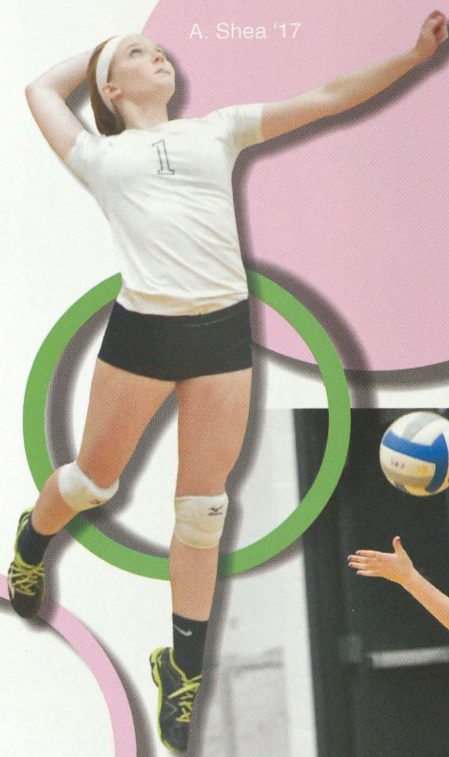

Varsity Volleyball

Through all the challenging obstacles faced during season, the varsity girls volleyball team finished strong. One of the biggest obstacles early on in the season was adjusting to the new coach, Kristen Eddy. The team was also very young as many had just moved up from junior varsity. The girls impressed most and earned a third place finish in the conference with a 5-2 record.

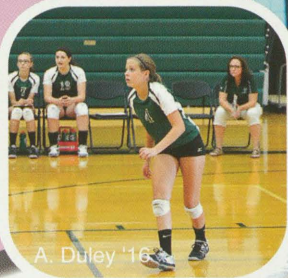

Taking on the TVC tournament at Alma was the biggest event all season. For the first match they faced Ithaca and came out with a winning score of 25-20 and 25-18. Next the ladies played Frankenmuth and unfortunately after a back and forth battle finished with a loss. To round out the tournament the team went head to head against Hemlock playing 3 games: winning the first 25-20, losing the second at 25-18, and winning the third game 15-12.

Overall, the team had a successful season despite the challenges they faced. "I think that overall we improved immensely as a team and individuals this season," said senior Brooke Taylor. "We were all a little nervous about how the season would turn out but by the end I think we all came farther than we ever expected." The girls came together as a team and truly shocked not only fans but themselves.

Run Forest Run

Boys and Girls Cross Country

Over the hills and through the woods ran the legendary Freeland boys and girls cross country team. They worked hard together this season and came home with some hard ware. Both teams achieved trophies each at the Lancer Invitational and the Heritage Invitational.

"I did pretty well throughout the season because of all the hard work we put into this cross country season," said senior and All-State runner Alex Stowell. "I qualified for states and ran my season personal record."

One of the most memorable meet for the runners was the TVC championship. This was not only a tough course but it was also one of the toughest and muddiest courses that the teams have tackled. While running, they had mud up to their knees and puddles all over. For the toughness of the course, runners did very well. The boys took 14th out of 22 teams and the girls took 11th out of 21 teams.

"I think that this season was one of our best, time wise. The whole team got along well which made it a season I will never forget," said junior Kara Dobulis. "I thought we did awesome at the TVC championship."

Overall, these two teams had quite successful seasons. They both earned a few trophies and accomplished many goals. Running as an individual and as a team is key in this sport and both teams accomplished these goals.

THE GREATEST GAME EVER PLAYED

Girls Varsity Golf

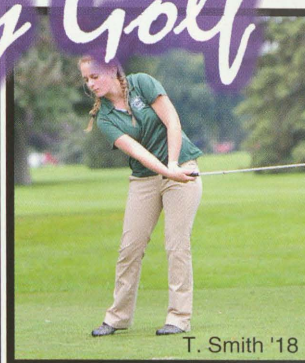

T. Argyle '15

M. Ostrowski '17

C. Hohn '17

T. Smith '18

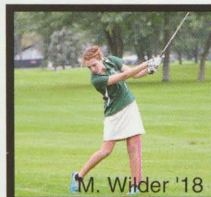

S. Pagel '17

Starting the season fresh in August the girls' varsity golf team was ready for the competition. Opening their season with a conference match, the team earned a second place finish right after their rivals Frankenmuth. Senior Tori Argyle earned medalist honors placing a 42 on the scorecard. The team then finished 4th at the Think Pink Invitational held in Chesaning with Senior Lauren Guentert tying for 1st place with an 85. "I improved throughout the season because I was able to quickly find the problems with my swing and then quickly adjust," said Guentert. The team placed 2nd overall for Division I and II with a total team score of 387 with Argyle scoring 94, Guentert 95, finishing fifth and sixth overall. Unfortunately, Freeland finished 2nd losing by two strokes at the TVC Conference. Argyle, Guentert, and Senior Morgan Ketola finished with First Team All-Conference, while Sophomores Caitlin Hohn and Sarah Pagel finished with Second Team All-Conference. The following week the team traveled to Twin Brooks in Chesaning for the Regional Final. With high hopes of returning for the fourth year in a row for Seniors Argyle, Guentert, and Ketola the team was ready to play. At the end, the team earned a trip to the state finals for the sixth year in a row. The team finished second overall with a team score of 398, Argyle tied for first and lost in the second playoff hole to end up second. Guentert finished with a 96, along with Ketola with a 96, Hohn 113, and Sophomore Sarah Pagel 115. The team finished 11th overall with a final score of 326. Ketola earned Academic All-State Honorable Mention and Argyle earned All-State mention.

Freeland Band

"My favorite part (of band) is simply being able to play music with my friends."

- Sophomore

Ashley Hupfer

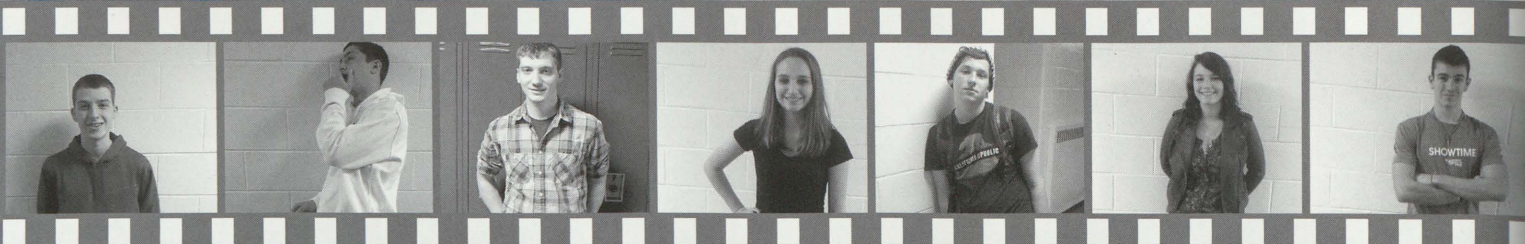

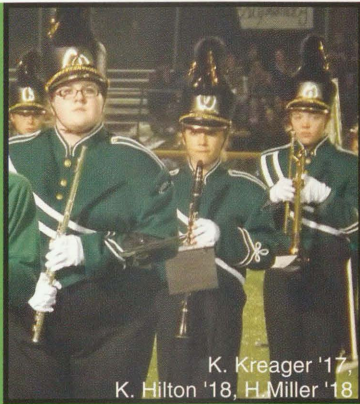

A. Hafford '16 and M. Ross '17

This fall, the band of Freeland High School was as productive as ever, practicing routines, performing at home football games, and even performing their fall concert. It is this hard work that makes them such exceptional players. Time and time again these extraordinary members get on stage and perform for all of Freeland to enjoy.

They practice almost daily, at least once every day in class and at home. This hard work and dedication to their instrument is what allows them to play flawlessly at home football games. They lead the student section at events using their music and their supportive chants to cheer on the members of the football team.

This year, the band had a considerably remarkable song selection, even featuring a choreographed performance of "Thriller" by Michael Jackson. They also performed the song "Grease Lightning" from the 1971 musical Grease. The students performed perfectly and they felt very positive about the concert. "I feel like the concert went well," says senior Nick Ezop. "We worked very hard this marching band season and really improved ourselves. We worked well as a team and all helped each other become better."

Spirit week is a time where students bleed green and white and showcase their Falcon pride. Students dress up in their seasonal wear, country attire, PJ's, class color, and in green and white throughout this exciting week.

"We all come together and have fun during spirit week and it gets us all pumped up for the Friday football game and the dance on Saturday," said senior Bree Wiesenauer. "My favorite spirit day was probably pajama day because it was the one day of the year I actually wear sweatpants."

To kick off spirit week, students filled the halls with PJ's and slippers. The sophomore class won pajama day. Next was class color day and the freshman came out on top. The third spirit day was dress like a season say and once again, the freshman won with the most participation. Thursday was country day and the juniors stole first. Lastly, was the annual green and white day which was dominated again by freshman.

"The best spirit day was country day because a lot of people participated," said junior Lauren Sanchez. "[Spirit week is great because] it gets everyone excited for homecoming."

Student participation was at an all-time high for the week. Overall, the sophomore class won the float decorations and juniors won hallway decorations. Totals for spirit points are freshman in fourth place with 350 points, juniors in third place with 500 points, sophomores in second with 550 points, and seniors on top with 700 points.

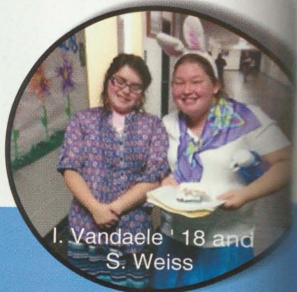

"It was the best spirit day and it was fun dressing like my fellow classmate, Spencer Kloc. The real country man."

A New Year means new teams, new plays, and of course a new group of brave girls who break out the cleats just for powderpuff. During homecoming week, the senior and junior girls at Freeland High School switched it up with the boys and practiced for the highly anticipated night. With the coaches help, both teams put in a good effort to prepare for the battle.

"As a coach for the second year in a row, I was excited to bond with my class again. Winning the game and beating the juniors was even better though!" said senior coach Matt Formsma.

During the first half of the game the pressure was on for both teams. The first touchdown was made by the seniors, and they continued to dominate until half time with a 20-0 lead. Juniors tried to keep up but fell short. The game ended with a final score of 20-16.

"My favorite part of powderpuff was getting together and bonding with a lot of the girls in my grade that I don't always see," said junior Maddy Boman.

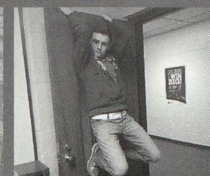

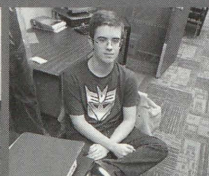

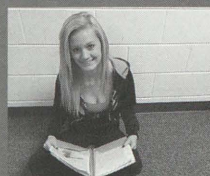

The game is a chance for the upperclassmen to battle on the gridiron and have fun as a class. Although it was a fight to the finish, the seniors took home the trophy and the title as champions.

This year the Equestrian team galloped into the Division C state championships and walked away with the crown. With their biggest rival, Ludington, close behind in points the team consisting of junior Anna Halm, Rebekah Barthel, Bree Dittenber and sophomore Cassidy Jensen stuck together and accomplished what many felt was unattainable.

"I couldn't believe it!" said Barthel. "Our goal this year was to just make it to states, but we went above and beyond that!"

The team started practicing weeks before school started and continued to ride everyday individually. They advanced from districts to regionals, and finally after winning regionals they went to states.

"Winning regionals [was a great memory] because we finally got our chance to show what we got at states!" said Jensen.

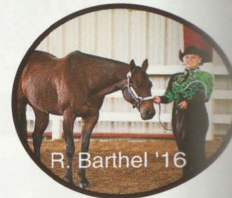

Throughout the whole season the girls remained dedicated and goal orientated. The team set many records and not only made it to states for the first time in eleven years but dominated the competition. The Equestrian riders had a season to remember and memories to cherish for a lifetime.

While students were enjoying their last month of summer, the freshmen and sophomore girls were hard at work in the gym, practicing and preparing for their upcoming volleyball season. Right before the season began, the junior varsity teams joined into one. Despite this small obstacle in the beginning of the season, the girls overcame it and had a strong season.

"It was rough combining freshman and JV players, but we overcame it and ended up getting closer as the season went on," said sophomore Kara Szabo. "Have an open mind on things, they might work out in the end."

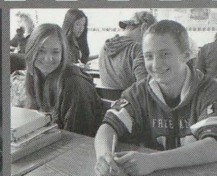

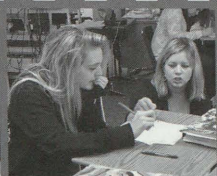

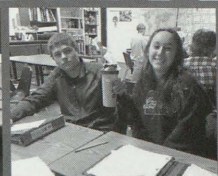

The girls started off their season with a bang. Tournaments at Carrollton, Ithaca, Alma, Bay City Western, and Carrollton led to a number of significant wins. Ending with a solid record, the girls earned victories against Bullock Creek and Alma, two of their biggest rivals. Although they fell short to Swan Valley by just a couple points, the girls played well despite their loss.

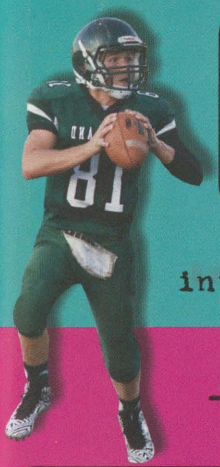

"My favorite part of the season was when we beat Alma and Bullock Creek," said sophomore Lauryn Richter. "Both of those games were very nerve-racking and we ended up pulling through with two big wins."

The girls ended their season just as they had started: strong and determined. With many conference wins and a close game to the biggest rival of all, the team of the 2014 season was undeniably successful.

The junior varsity boys of fall were at it again-another undefeated season was added to the books for Freeland Football. Consistent wins left and right led to the outstanding record of 9-0. This record did not come easily though, but the team worked hard during the season to ensure their record was untarnished.

"Our team goal was to go 9-0," said sophomore Max Kubiak. "We accomplished our goal by listening to our coaches and having a better weight-room turnout."

The most memorable win for the team this season was the game against Nouvel. It was an important game for the boys as it was their last game of the season against their biggest rivalries. The Falcons were victorious in the end with a final score of 31-21.

"It was a feeling of great accomplishment when we were able to walk off of Nouvel's field knowing that we were 9-0 and had reached all of our goals for the season," said sophomore Jake Kelsey.

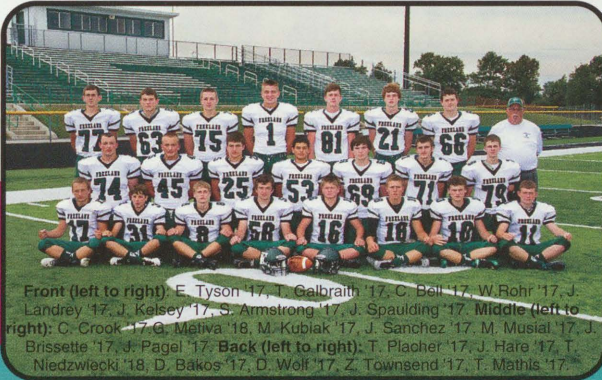

Even though it sounds as if a 9-0 record comes easily, it did not. The team had set forth goals and accomplished them through hard work, dedication, and intensity on the field. The team coming together as one led to a flawless, winning record.

We Could Be King
Fall Rivalries

A. Halm '17

Rivalry is defined as competition for the same objective or for superiority on the same field. When it comes to rivalries, Freeland has them and they only force the Falcons to work harder to dominate the competition. Freeland's main rival, Swan Valley, put the Falcons to the test and pushed limits. With most sports falling to the Vikings the Falcons still held their heads high in pride of their school.

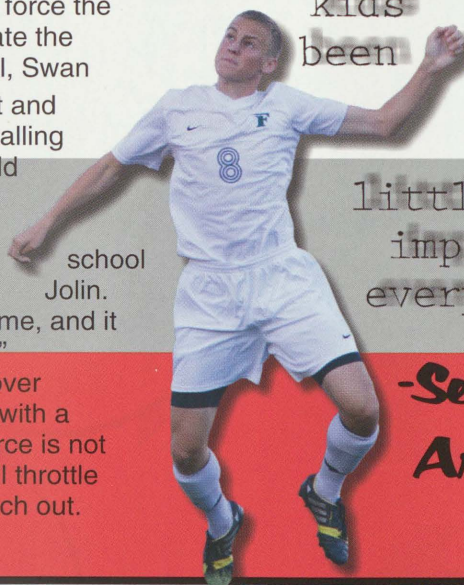

"Rivalries bring out everyone's pride," said senior Madison Jolin. "We all come together for one game, and it really pulls us closer as a school."

The golf and Equestrian team overpowered their rivals and finished with a winning season. The Freeland force is not stopping and will be coming at full throttle next year, so the rivals better watch out.

L. Guentert '15

Being capable of spreading awareness for a cause throughout a community is no small feat. While it may be a lot of work, the end result is gratifying for all of the people involved. For the past two years, the Grey Game has gone off without a hitch and this year the night was even bigger and better. With a larger attendance, a new half time show, and bigger sponsors, it was a night that many will not soon forget.

The entire night was filled with special moments. The Girls' Varsity team adopted a third grader from Freeland elementary school who currently has diabetes. "Hanging out with Ethan and the team was a great experience," said senior Hannah Foy.

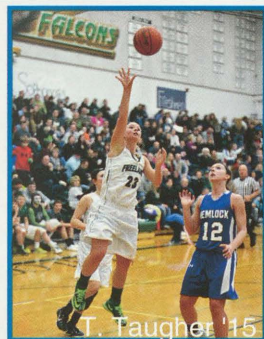

Both the Varsity Boys and Girls teams played that night and between the games and the fundraiser the gym was packed. At halftime of the girls' game, the FHS Varsity Cheer team performed their TVC winning routine for the crowd. Afterwards, the Piston's High Flyers performed. They had the crowd on their feet as everyone held their breath every dunk as they soared above the rim.

During the boys' halftime, the Varsity Pompon team also performed and then the High Flyers came out again to wow the crowd. "I got to go out and hold a basketball while the Tornado jumped onto the trampoline and flipped over me grabbing the ball and dunking [it]. They really can jump and the people in the stands were all on their feet cheering!" said freshmen Olivia Farrell.

While a lot of money was raised for the cause everyone enjoyed the night and spread awareness throughout the community. Coach Tom Zolinski was very pleased with the turnout this year. "I was very pleased and it went well this year. We ended up raising \$6,500 and \$6,500, \$1,000 more than last year.

As November rolls around, the Girls Varsity Basketball team laced up their shoes to take on the court. With a regular season record ending at 18-6 and finishing second in the TVC, they accomplished many goals. When tournament time came around, the Lady Falcons dominated.

The Lady Falcons faced many competitive teams and one was the Bullock Creek Lancers. Even though the final score was in the Lancers favor, winning 52-46, it was still a game to remember. "My favorite memory of the season has been the Bullock Creek game because there were so many people there and it was a fun and intense game," said senior Tina Miller.

The final home game and senior night was on February 20th. For the five seniors, including Miller, Hannah Foy, Tori Argyle, Taryn Taugher and Cierra Tate, this was the last time playing on that court. "A lot of memories were made that night and the best feeling on Senior Night was hitting a half-

This season, themselves and that the green reckoned with.

court shot at the buzzer," said Foy the team made a name for rattled the competition proving and white are a force to be

The Freeland Varsity Boys Basketball team is full of talent and athleticism, young and old. After several weeks of hard practices, the team was ready to dominate the court. This season, the six seniors led the way to take on the court with force. "I believe that we can learn things from each loss," said sophomore Connor Muscott. "We can improve on the little things like boxing out, diving for loose balls, and free throws." Muscott, who began the season on the junior varsity team, was brought up to varsity mid-season and ended up making a large contribution to the Falcon roster.

The season started out with two consecutive wins against Carrollton and Pinconning. "Our heart as a team has become ten times greater," said sophomore Drew Bakos. "After the few losses we had, we started to come together."

Whether the team won or loss, blood, sweat, and tears were laid on the court every single game. The Falcons ended the season with a 11-3 conference record.

"As the season went on we became closer and closer as a team."

WRESTLING

Beyond the Mat

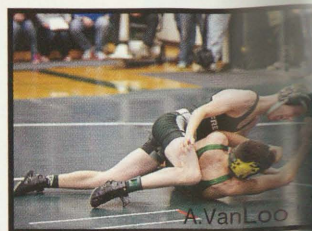

"My favorite part of the season was staying at a hotel at states and watching the meets from the suite in the palace"
-Freshman Coburn Lynch

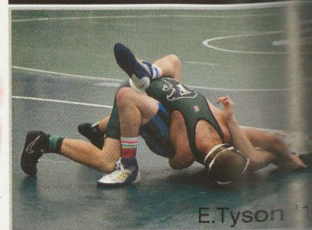

The Falcon wrestlers began the season the best way possible this year: with an undeniable win against Michigan Lutheran Seminary. This team, despite being young, had experience and talent to be competitive with every opponent they faced. At Hemlock, Freeland placed second as a team and six wrestlers went undefeated all with a 5-0 record: sophomore Jason Spalding, Eric Tyson, Drew Hanson, junior Aiden VanLoo, Kolten Radaz, and senior Graham Fitkin.

"I make sure everyone is doing the right thing; I lead by example," said Fitkin. "It is important to have captains to lead because without us, practices and meets would be chaos." At the TVC championship, Radaz was the champion of 135 weight class, Tyson placed fifth in the 125 weight class and Lynch and Fitkin placed sixth in their respective weight classes.

On March 7th, Fitkin and Radaz qualified to the state finals at The Palace of Auburn Hills. Fitkin was solid on the mat, but unfortunately did not place in his weight division. Radaz placed seventh overall in his respective weight class at 125 pounds. Overall, the season was successful and the returners are now looking forward to the next year.

B. Leuenberger '16

S. Dix '15

As the season changed from the falling leaves to the glistening snowflakes of winter, high school athletes prepared for the new season. Students from Freeland, Nouvel, and Valley Lutheran lace up their skates, taped their hockey sticks, and pulled on their jerseys that proudly displayed FNV Griffins across the chest. They faced many challenges this season, but did not let that get in their way of battling it out on the ice.

The Griffins hosted a game against the Mt. Pleasant Oilers which was a highlight of the season. The Griffins had lost to them earlier, but they went on the ice with their heads held high, looking for redemption. The Oilers are known as a powerhouse and the Griffins knew that they would have to play to their full potential if they wanted to compete for the win.

"We crashed the boards, had an aggressive fore-check, and broke out of the zone pretty well," said Junior Ben Rybicki. The battle went back and forth on the ice. From crushing hits and menacing slap shots, the Griffins managed to tie after overtime at 4 - 4.

Even though the season was not ideal, the team worked hard and competed to the best of their ability. With the season over, it is up to the underclassman to keep the hockey tradition alive for the Griffins.

Girls and Boys Bowling Freeland Falcons Strike

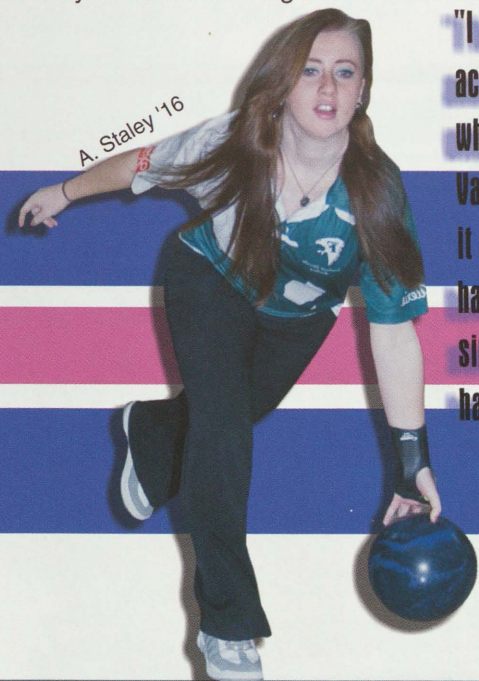

This bowling season has been a cold one, but a very active one for the Freeland High School bowling team. The team members have worked hard and used their best aim in order to strike their way to victory at every bowling meet. With the help of their coach, the team has not only played well, but they have had their share of fun doing it.

This bowling season has been considered a "building year" for the boys team according to coach Brad McNally. The girls team also had a successful year as they won many matches. Junior Brendan Welsh led the Trip Valley Conference with a score of 224 and the most improved player on the girls' team was senior Jalyn Prout. This year at the regional meet, players did not do as well as they had hoped. "Scores were low compared to other regional events at other bowling centers but we will be ready next year," said McNally.

The team showed great dedication and team spirit at their meets, and will no doubt be ready to make next year a better year. With their heads held up high these athletes hold the potential to drive the Falcons bowling team to a crushing victories. Fans will continue to cheer the teams on and support them as they continue to bring home victories.

It all began last March. The tryouts had finished and the new varsity pompon team was ready to take on the season. Their hard work started at Mid American Pom Camp. The girls spent five days at Davenport University in Grand Rapids focusing on improving their skills and bonding as a team. The team received a total of seven first places which led them to receive the Grand Championship trophy on the final day of camp. As school began, the pom team practiced routines for the Friday night performances. The team then transitioned into their competition season. Time was spent preparing for the regional competition. The competition was held on Saturday, January 17th at Heritage High School. There the team advanced to the state finals for the 15th time. States was held at Michigan State University on February 8th, 2015. "The girls gave a quality performance that they can forever be proud of," said Coach Jenny Kuester. Overall, the team placed third. Even with the loss of two seniors, the team will continue to impress and make their mark on Freeland's pom history.

Districts	2nd
Regionals	7th

Twenty-two girls, four minutes and thirty seconds, one mat, one chance; these Lady Falcons were ready to make history. With the nine seniors, the varsity cheer team was ready for nothing less than an amazing season.

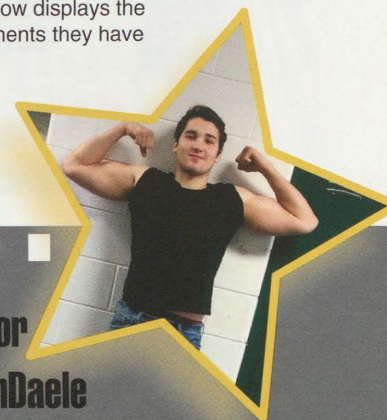

Starting off with three first place wins, the team was set up for success. The team consistently placed in the top ten in all three rounds in the state all season long. They dominated the competition one after another and earned a first place finish seven times in a row. The final tally left them on top with twenty-two division points to win TVC-East.

"As a team, we overcame so much in such a little amount of time," said senior Ashtyn Hare. "Going from warming up for round two to the hospital, and still placing first truly says a lot about our team." The Grand Blanc Invitational was one of the highest scoring meets the girls competed in and they reached the top spot in the state with a round three score of 316.4.

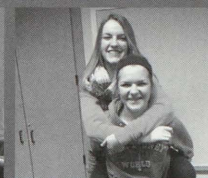

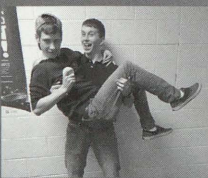

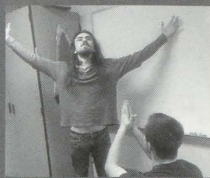

The meet prepared the girls for the home TVC competition on February 14th. "My favorite meet was our

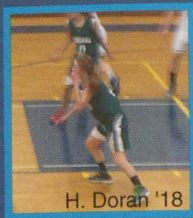

Home TVC meet," said sophomore Hannah Heugal. "This was our tenth first place win and it felt amazing to make history and capture the TVC title."

As the season came to a close, the team finished 2nd at Districts and later placed 7th at Regionals. For the first time ever, the team earned two banners in the gym which now displays the accomplishments they have gained.

After a long season full of ups and downs, the freshmen girls basketball team overcame several difficulties and ended on a positive note. They improved throughout the season on offensive skills such as shooting techniques and dribbling coordination. They worked hard and put in countless hours of practice which helped them achieve a positive end to the season.

"My favorite game we played was against Michigan Lutheran Seminary because it was tied up until the very end and Hannah Doran put us in overtime with a basket at the end," said freshman Morgan Harrington. "We ended up winning in overtime and it was a really awesome feeling to win such a close game".

The Lady Falcons finished their season with a game against Swan Valley with a win of 39 to 18. The girls' drive and determination showed through and the team ended their season 4-9. Their skills will only improve throughout their future basketball career.

"OUR PRE GAME RITUAL [IS] LISTEN TO MUSIC AS A TEAM [TO] GET PUMPED UP."

FRESHMAN
KILEY FISHER

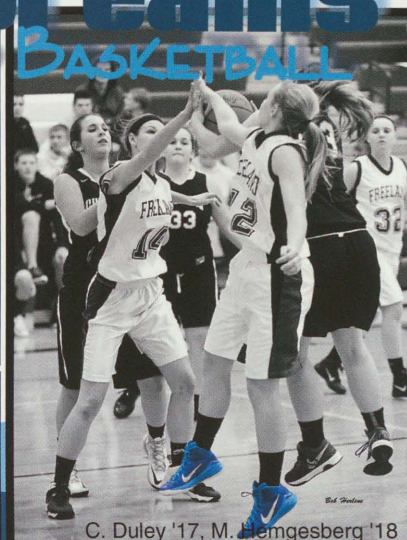

The junior varsity girls basketball team started out the season on a rough note, but quickly improved with practice learning to work together towards one goal. The first two games against Midland High and Valley Lutheran were losses, but they quickly turned around and defeated Chesaning 60 to 14. They played well as a team and showed the rivals that they had the ability to win.

"Our team played extremely well against Chesaning," said freshmen Bailey Desander. "It was a fun game because we won by a lot and our coaches were very relaxed about what we were doing on the floor."

The team accomplished amazing feats this season from improving their defensive skills to becoming more consistent shooters. The team was determined to make the most out of their season, and ended with a record of 12-6.

Coming into the 2015 season, the freshman boys basketball team worked hard. These Falcons came into their first year of high school basketball ready to play the game and show what they had in store for the other teams. They earned many victories together on the court but the most memorable moments came from their undeniable winning streak.

The Falcons biggest rivalries included Pinconning and Chesaning. "Our biggest rivalry was definitely Pinconning. The game went well although it was a tough one," said Freshman Cole Martin. The Pinconning game ended 61-58, in favor of green and white.

The group had many strengths that kept them going and pushing towards a solid end of the season. One major strength they had was their personal drive. They were more focused on getting better as an individual and as a team so they can eventually move towards varsity when the time comes. Their overall record was 13-0.

As the seasons crossover from the cool fall nights to the freezing cold temperatures of winter, basketball players from all around prepare to dive into a new year. The junior varsity boys' basketball team took on the season with their heads held high.

The Falcons steadily improved as individuals and as a team game after game. "Our team improved a lot overall, especially with our free throws and we also ran more half court offenses," said Max Kubiak. "We had a lot of chemistry and played well as a team."

They made sure not to let teams stop them from finding success and walking away with the win. All of the time and hard work they incorporated into their season paid off in the end. The Falcons ended the season with a 17-3 record.

Induction

E. Collison '15 and K. Obendorfer '15

Each fall, the National Honor Society gains a handful of new inductees to help carry on the tradition. NHS members demonstrate the qualities of scholarship, character, leadership, and service. "Being a part of the National Honor Society is such an honor. I am so happy to be a part of such a prestigious group," said junior Alexandra Crane. Besides completing service hours members participate in Adopt-a-Family, Special Olympics, and other volunteer opportunities.

This year for Special Olympics, the group traveled to Apple Mountain to aid in the events for a variety of students. "It was a great experience to be able to help someone who might not usually have the opportunity to get out or to participate in activities like the ones offered," said senior Kinde Obendorfer. "It's very rewarding to see the smiles on their faces and knowing that you are helping them have fun and create memories."

National Honor Society members are dedicated to helping the school and community anyway possible. With their continued efforts, NHS will prove to be just one of great assets to Freeland High School.

PRESIDENT TAYLOR HERRING

"Being in NHS has enabled me to practice and perfect my leadership and communication skills and has taught me that helping others is an unexplainable feeling."

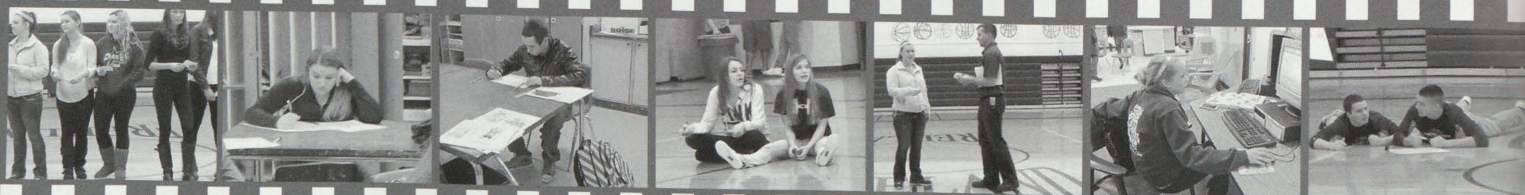

VICE PRESIDENT BECKY BELL

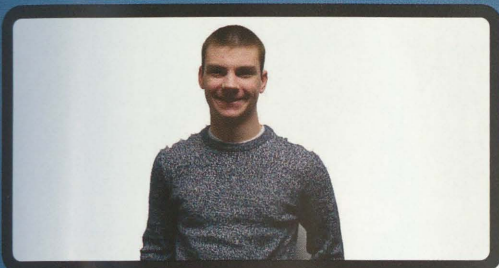

"I was honored when I was named the Vice President. I am very happy I can put my leadership skills to good use with such an important group."

SECRETARY EMILY COLLISON

"My favorite part about being on the National Honor Society is all of the volunteer opportunities. I love getting the chance to help others in the community."

PRESIDENT DOUG PIPER

"My favorite part of being part of SLS is providing a place for Freeland's students to come together in a safe environment."

VICE PRESIDENT NOAH OSTROWSKI

"[My favorite activity was] the Ford driving skills event. I got to drift around in mustangs for a few hours."

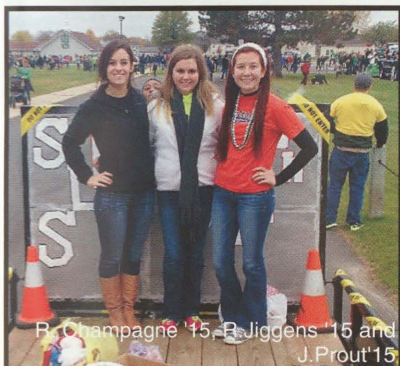

SECRETARY BECKY JIGGINS

"Being in SLS has taught me important leadership and organization skills. I have discovered my personal values and have learned to step outside of my comfort zone."

Student's Leading Students is an organization at Freeland High School that promotes safe and healthy choices for all students. "[My favorite part of being in SLS] is providing a place for Freeland's students to come together in a safe environment," said senior Doug Piper. They work hard to make sure that students are aware of the consequences of drinking and drug abuse, distracted driving, and relationship abuse.

This past Halloween, the SLS team cleaned up the schools arboretum to help the environment and to prepare for their Halloween trail. The Halloween trail raised money for future trainings and events that SLS will host. Also this past fall, SLS organized Red Ribbon Day which advocates against drug use, and took part in the Leadership Institute, a workshop that is centered around the four components of leadership.

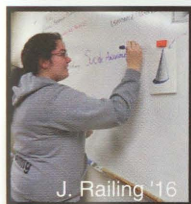

Students Leading Students is a well-known group at Freeland High School and throughout the community as well. The members work hard to keep Freeland a safe and drug free school.

With twelve returning players, the Freeland Girls Varsity Soccer team was ready to kick off this year's season. Going in this year, the girls knew that it was going to be challenging. After winning the conference, district, and regional title last year, the team was set up to face some tough competition. With a positive mind set and a goal to win, the girls did just that and finished the season 17-3.

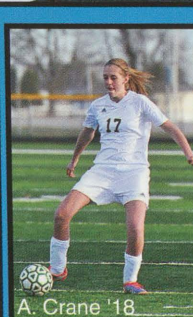

The Falcons faced challenging teams first in a tournament at Swartz Creek with all Class A schools. The first game played was against the home team, Swartz Creek. Freeland had great communication and passed the ball well, however, by the end of the game, neither team had scored, which sent the team to penalty kicks. Thanks to Freeland's goalie senior Hannah Foy, the Falcons ended up winning 2-0. "It's always a nervous feeling being one on one with an opponent, but once I made that first save, I was ready for another one," said Foy. Freeland ended up racking up the most points, winning the tournament.

For the second year straight, the girls managed to make it to the Final Four. Although they lost in the state semifinals to Hudsonville Unity Christian 4-0, the team held their heads high at their overall success throughout the 2015 soccer season.

FALCONS IN THE OUTFIELD VARSITY BASEBALL

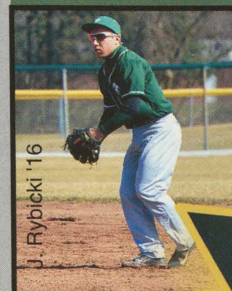

Over the past decade, a district title has been won by most Freeland athletic teams besides baseball. This year, however, changed that record as the team won the title after a ten year drought. Despite a rocky start, the Falcons solidified their offense and defense and became the team to beat. "We showed that we can play ball [well]", said head coach Mitch Wheatcraft. While the season is over, the team left their mark on history. The Falcons are a dominating force in the conference and will continue to improve in up coming seasons.

With the spring air settles in and green grass grows all around, softball and baseball players prepared for the season. After going through training and conditioning the last few weeks of winter, the softball team was ready for a fresh start. This season consisted of new coaches, players, and competitors.

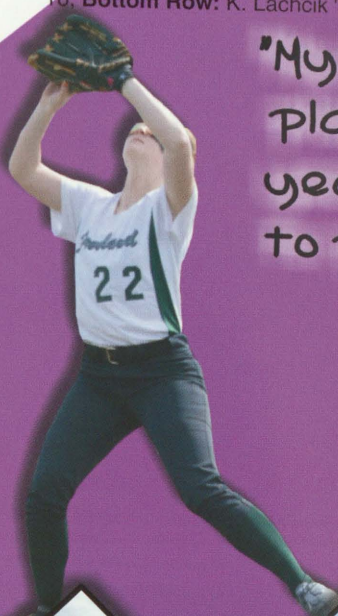

The weather took a toll on the teams all around the area with almost half of the games rained out and rescheduled close together, the team faced these challenges head on.

This season introduced Mike Beyer as the new head coach and Scott Kruger as the assistant. The pair focused on techniques, plays, and new skills. "Our coaches this year taught us so many new things," said Senior Lauren Guentert. "I'm so glad I was able to end this season positively." They also organized the first ever senior night which many appreciated. The field was also upgraded due to the new digital scoreboard with help from the athletic director, Jeff Bell and coaches.

Because of the girls dedication they were able to finish on a high note. Through all of the tough games, losses, and wins, the team never failed to be confident that they can beat any team they play.

Track season is a fresh start to the year for some athletes, while for others; it is their last chance to leave their mark on their high school.

The boys and girls track teams both had a phenomenal year. Both teams had a great mix of returning veterans and eager first year athletes.

The girls were ready to embrace a strong year.

They had a lot of talent within their reach and came out strong. At their first meet the girls provided a strong front placing in several different events, including, pole vault, shot put, 800 meter dash, two mile, and long jump. After successfully pushing through numerous meets the girls were faced with solidifying an outstanding place in their conference. "I thought everyone did well, gave it their all, and pushed themselves to make up for lost points," said Senior Captain Tina Miller. The state qualifiers were Sophomore Jenna Gregory (High Jump, 400, 4x200), Junior Jackie Pruitt (4x200, 4x400), Freshman Mary Hemgesberg (200, 4x200, 4x200), Senior Mollie Boswell (4x200 and 4x400), and Senior Tina Miller (Discus).

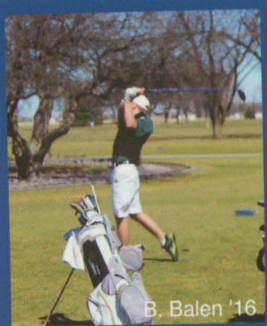

The boys track team was also eager to start the year. They came out strong and won plenty of meets setting them above the rest in their conference. The team was challenged by facing difficult competition that consisted of several Class A schools. However, they were never far behind from being the best. "We had a great meet and stepped up where we needed to. We were only three points from first place," said Senior Gage Armstrong. As the season drew to a close the boys were named District Champions and continued on to have several qualifiers for states.

The state qualifiers included, Juniors Nate and Ben Whitting (High Jump), Senior Jake Jankoska (Pole Vault), Senior Anthony Cook (Discus), and Sophomore Chad Martin (800) all qualified. Junior Nate Whitting placed 1st in his event, jumping 6'6". Both teams had a successful year of achieving Falcon pride.

As the grass turns green, the Varsity Boys Golf team gets ready to swing into action. They started the season off in Alma at Pine River Golf. The team played in the first Tri Valley Conference Jamboree and earned a score of 194 taking second. "[We] focus on the moment and take each round shot by shot so we do not get ahead of ourselves. [This] helps with our teams' success," said Senior Michael Schatzley. Next, the Falcons hosted their own Jamboree at Twin Oaks and scored a 163 to earn first place. The team went on to place second place at the Swan Valley Country Club against their TVC Central rivals. A few days later, the boys took on the course at Midlands Currie Golf Course and walked away with a third place finish. The last jamboree of the season was at Ovid- Elsie's Emerald Golf Course. There the team earned a final first place. Three athletes were given all-conference honors; Junior Ben Balen made first team all-conference while Schatzley and Junior Spencer Kloc earned second team all-conference. Balen also represented the Falcons in the regional and state tournament. States, which is a two day tournament, was held in Lansing this year. After day two, Balen's overall score was 154 ranking him sixth in the state.

"My favorite scene to preform was the one where Sir Harry and Lady Larken fight." ~ Senior Brooke Taylor

"Once Upon A Mattress"

"As the curtain descended there was nothing but loving and laughter." This line from the musical *Once Upon a Mattress* sums up the feelings of the cast after their three performances. The cast worked for almost two months on bringing this fun-filled musical version of *The Princess and the Pea* to life. Rehearsing for two hours after school every day, the group mastered their singing skills, worked on character development, and even learned a dance routine for the show. "I think the best scene was the Spanish Panic [dance] Song of Love scene. It was so upbeat and fun," said Sophomore Hope McClean. With three nights in a row performing in front of a full house, the cast put on an amazing performance. Not only did they leave it all on the stage they made a lot of memories in the process that will last a life time.

The Sandlot JV Baseball

Despite a few setbacks early in the season, the Junior Varsity Boys Baseball team proved to be a force to be reckoned with. Snowy weather and flooded fields didn't give the team much time to practice which showed in their first game against North Branch. The team was able to redeem themselves against Gladwin with a split. The team then went through a rough patch later on in the season, but that didn't stop their hard work and determination in practice. This work ethic finally paid off in a double header against Chesaning Union High School. Every starter had the opportunity to hit at least once and the team walked away with the win ending with a 16-11 and 10-6. "We have definitely improved since the start of the season," said sophomore Chase Crook. "We won both and played better than we have done earlier in the season." Although the start of the season was tough, the Falcons were able to prove they could learn from their errors and become a team to look out for.

"The first time I pitched this year, I did pretty 'swell."

Fever Pitch softball

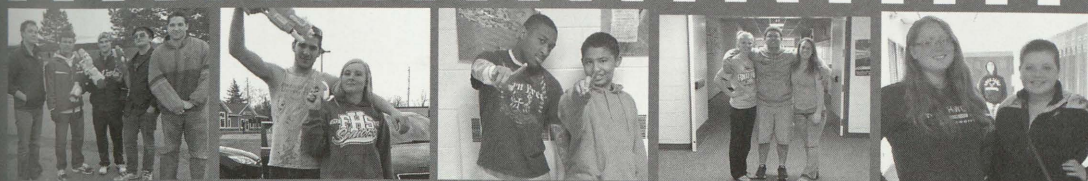

With many practices, games, and tournaments the junior varsity softball season came to an end. Overall, the season had lots of ups and downs. However, the team worked on positivity, improving their batting, and their throwing skills. This year, the team had some challenges with new players and new coaches. "I like how they [taught] us new techniques and how positive they [were]," said freshman Mackenzie Champagne. After a few games into the season the team traveled to Swan Valley. Freshmen Ashley Reinig had 3 hits and an RBI followed by freshmen Brooklyn Davis with 2 hits. The girls unfortunately lost the battle 19-4 and 22-0. To help the teams scores, they began practicing sliding. "My favorite memory was when Sara taught us how to slide head first on our stomachs back to a base," said Davis. These girls never gave up their desire to win every game. Although their overall season record was 2-12, the team is very excited to see what next season has to offer.

This year, the Junior Varsity Girls' soccer team had an impressive season. The Falcons won almost all their games, going undefeated for the first eight. Coach Tyler Varney noticed that their success was due to a collective team effort. However, when the road got rocky it was because of a lack of communication on the field which they worked to improve all season. This improvement showed at the game against the Lancers which the Falcons won. "[The game was] good. We won and put in a good effort as a team," said freshman Maddie Eckdahl.

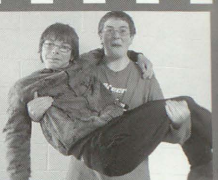

The Falcons continued to push through each game, and took pride in doing their best to bring victories back to Freeland. During the Hemlock tournament, Varney made sure to do everything he could to help the girls fight exhaustion in the three-game tournament by continually rotating players. The Falcons won all three games and the tournament which ended the season on a high note. "We worked very well as a team and we worked hard to improve our communication skills during practice and on the field. Our hard work paid off!" said freshman Emily Schultz.

"Being with my teammates [was my favorite part of the season]! We had a lot of fun on and off the field."
-Junior Madison O'Leary

As the school year draws to an end, much work is put into prom, graduation, baccalaureate, assemblies, and other prominent end-of-the-year activities. None of these school activities would be successful without the outstanding dedication and motivation displayed by Freeland High School's Student Council. Each grade has its own council consisting of three representatives, a treasurer, a secretary, a vice president, and president. The Executive Student Council, which consists of all seniors, has one representative, a treasurer, a secretary, a vice president, and a president. Each council is responsible for organizing different school activities and events. One event that many members attend is Toys for Tots: a program that helps collect and pass out toys for families who cannot afford to buy gifts for their children around the holidays. "Toys for Tots was one of my favorite memories from being on council this year," said Junior Representative Ben Balen. "It is always rewarding knowing you are helping others who need it." Besides Toys for Tots, members are also in charge of other events such as blood drives and exchange-days with schools in the tri-city area. "Student Council helps our community through lots of events," said Freshmen President Aaron Huckleby. "We host blood drives in our gym and schedule times for students who want to donate." Never forget that all members of the council are working hard all year long to provide the best school experience for all students.

Every month, the Freeland community looks forward to well-written Freeland news produced by Ms. Kyla Krygier's class, The Talon. It takes a special group of people with true talent to work together and create a source of entertainment and information for all to read and enjoy. Being a part of Writing in the News is also a great way to get involved in the community. "I think the Talon benefits the community because it shows all of the talent that Freeland students have and it is able to help keep the whole area connected," said Senior Section Editor Brooke Taylor. Writing in the News is a bi-weekly publication which means every two weeks the class produces a new issue. The newspapers are then dispersed throughout the school and the town by the students in the class. This year, the class has produced fourteen different issues. Overall, Writing in the News is an unique class that provides students with the opportunity to change up their writing style and work in a different atmosphere. "This class has not only introduced me to new students, but it has changed and improved my writing skills," said Junior Section Editor Lexy Weersma. " [It also] keeps our community informed about new things going on in the school district!"

The Story of LINKS

The LINKS program is something relatively new to Freeland High School. It began in January of 2013 and Mrs. Kim Miller is the current advisor. LINKS is a peer-to-peer support program where students connect with one of their peers who has a specific learning and/or social need.

Students connect with their links in class and work with them to ensure academic and social success.

Student's in the LINKS

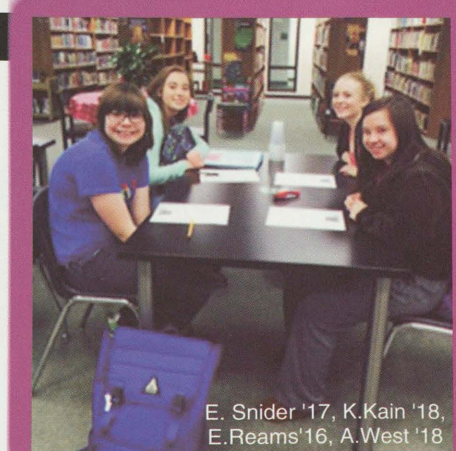

program attend monthly meetings where they are split up into first year, second, and third year LINKS. The meetings are referred to as training sessions. Training sessions are conducted by Miller and it's a

time to share how the LINKS experience is going. But it's not just helping a peer out in class; Miller usually plans about three or four outings a year.

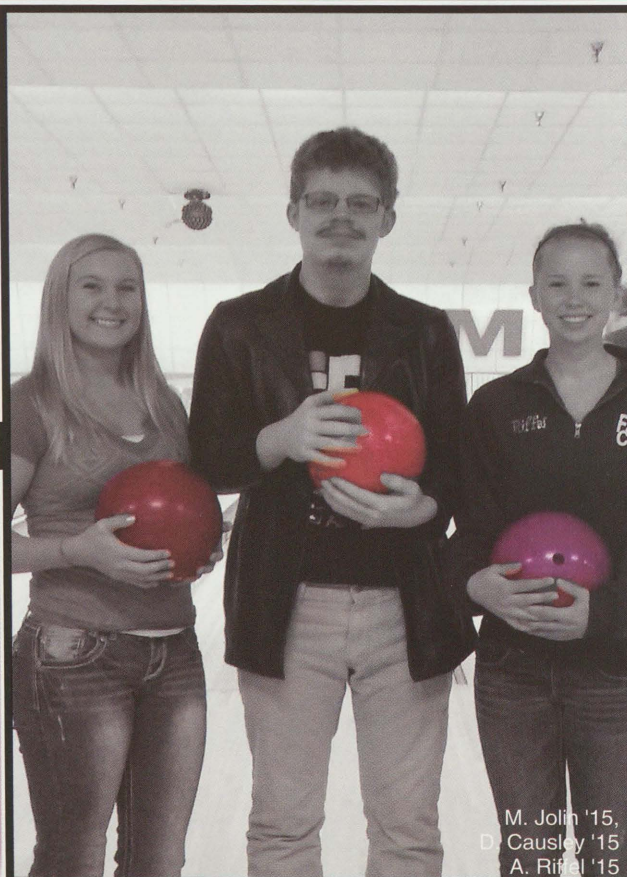

Since January of 2013 LINKS has grown and continues to help students every day. Programs like LINKS are not just seen at Freeland High, PALSS is for students at the Learning Center, Elementary School and now in 7th grade. Programs like PALSS and LINKS make a difference in the lives of all students. "Many people find it hard to ask for help, I encourage everyone to join the LINKS program and meet some surprisingly generous people," said Senior Devin Causley.

"Giving blood means to me that I am saving lives, even if I might be afraid of needles."

JUNIOR RILEY VASOLD

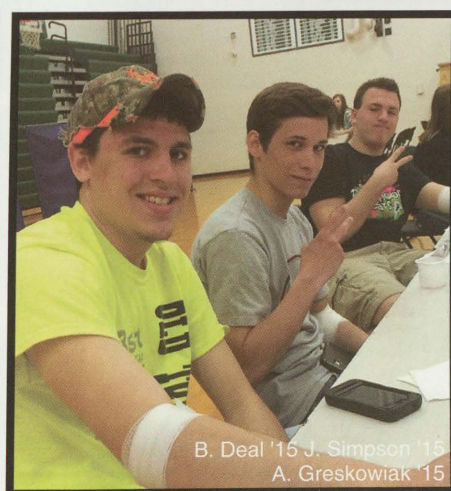

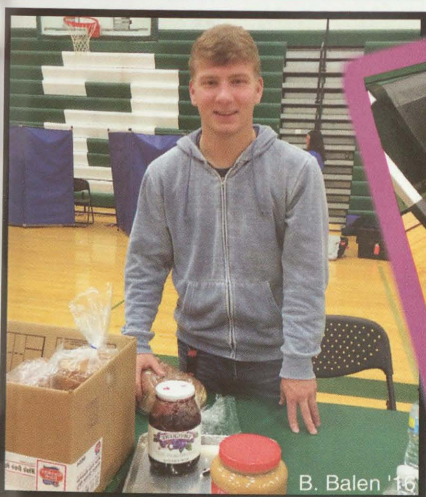

One donation of blood can save up to three lives and this year the students of Freeland high school saved thousands of lives. Every few months, Freeland holds a blood drive for the community to help those in need. An estimated 158 students give at every blood drive and there are always students willing to get involved and make a difference.

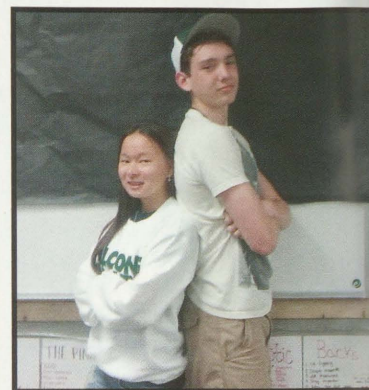

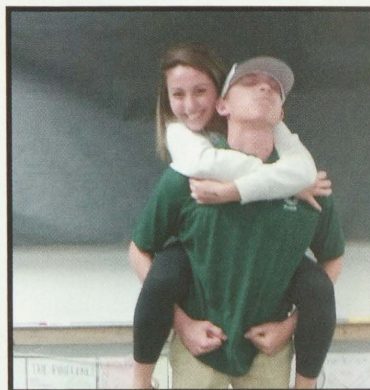

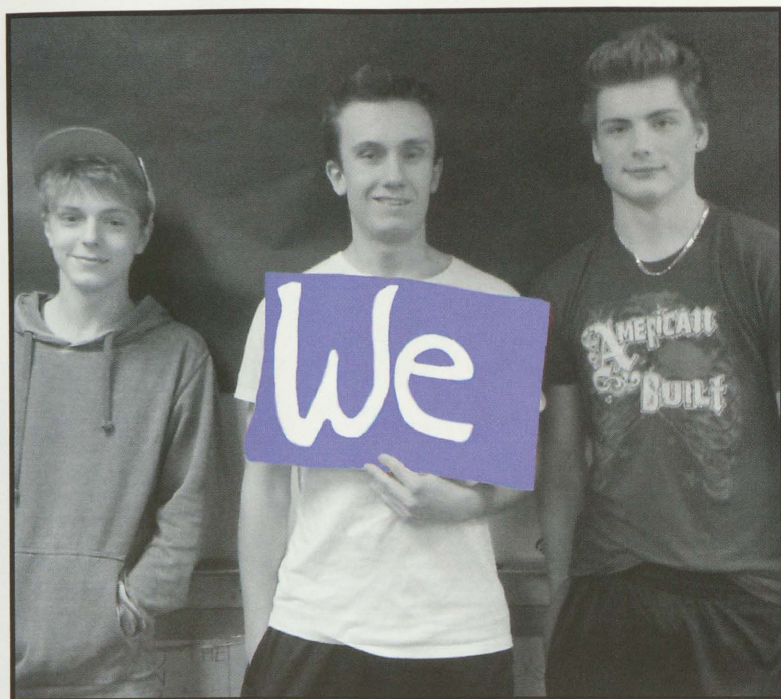

"The blood drive helps so many people and it makes me feel like I am doing something really good for someone," said senior Beau Deal after giving his final blood donation as a student. "It feels amazing to help someone in need so often."

The drive saves many lives and makes an impact not only on those who donate, but those in need. If you are willing to give and can, don't hesitate to go down to the blood drive next time it comes. Get involved and save a life.

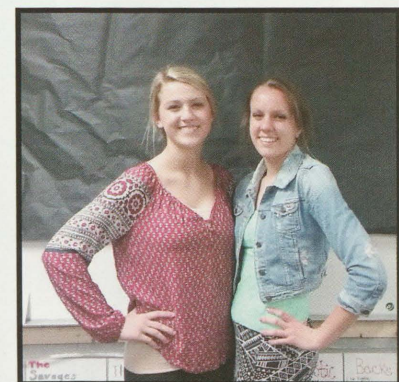

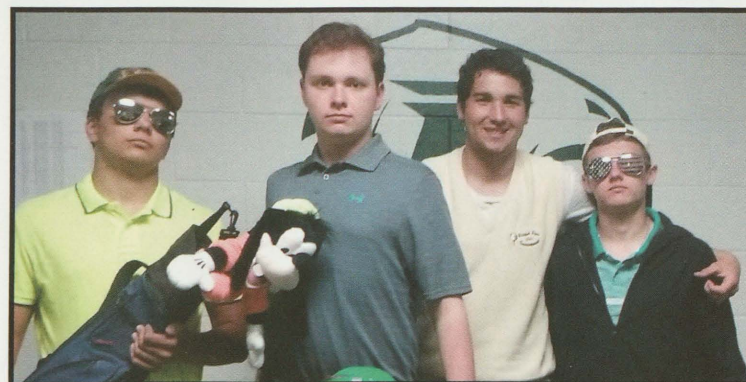

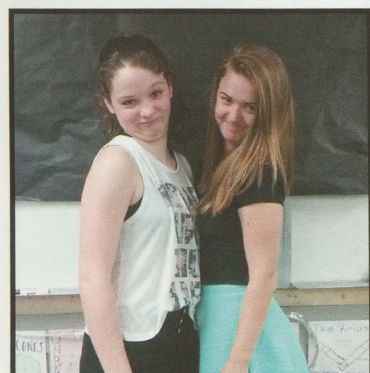

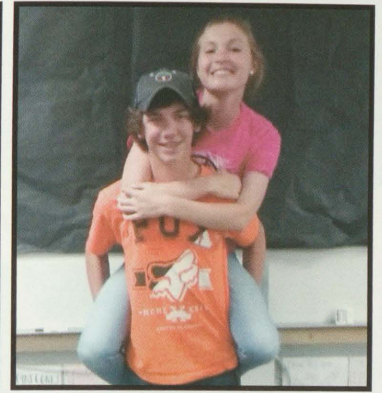

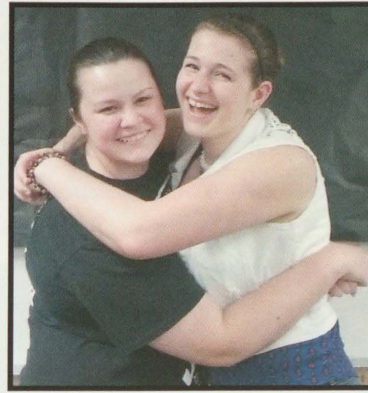

It's a Wonderful Life Blood Drive

2014-15 was an excellent school year! Academically, over 50% of our student body earned a spot on the honor roll. Athletically we earned several district, regional, and state championships. Our extra curricular membership also increased this year with groups such as the drama club, SLS, and Student Council to name a few. Congratulations for your efforts as I am so proud of the accomplishments that you made to contribute to such a successful year! Falcon Pride!

NOAH OSTROWSKI

GPA: 4.102

College: University
of Michigan

Major: Computer
and Electrical
Engineering

Advice: Always be
doing something;
high school is too
short to be bored
all the time.

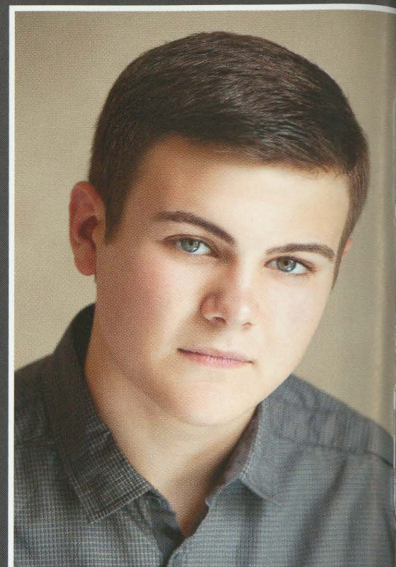

NICHOLAS BERG

GPA: 4.069

College: University
of Michigan

Major: Undecided

Advice: Don't let
anyone define who
you are. Make your
own name for
yourself.

MORGAN KETOLA

GPA: 4.055

College: Michigan
State University

Major:
International
Marketing

Advice: Work
hard, get involved,
and do things that
make you happy!

ASHTON LEWANDOWSKI

GPA: 4.035

College: Wayne State
University

Major: Biology or Bio-
Medical Engineering

Advice: Don't sweat
the small stuff and
enjoy the weekends.

REBECCA JIGGINS

GPA: 3.990

College: Wayne
State University

Major: Kinesiology/
Pre-Medical

Advice: Having a
seat at the table
isn't the same as
having a voice.
Embrace life with
an open mind and
have fun!

LAUREN GUENTERT

GPA: 3.973

College: Central
Michigan University

Major: Psychology
and Social Work

Advice: Work hard
now and it'll pay off
later, but don't
forget to have fun in
the process. It goes
by faster than you'd
think.

REBECCA BELL

GPA: 4.061

College: Central Michigan University

Major: Secondary Education or Elementary Education

Advice: Make the most of every opportunity and work hard to accomplish your goals. Remember to enjoy high school, it flies by.

DOUGLAS PIPER

GPA: 4.061

College: University of Michigan

Major: Biology/Pre-Medical

Advice: Your experience at Freeland High School is what you make it. You will get what you put into it.

MOLLIE BOSWELL

GPA: 3.996

College: Undecided

Major: Bioengineering

Advice: Enjoy the time you have in highschool; it only lasts a short time so work hard to achieve your goals.

STELLA YU

GPA: 3.992

College: Baker College of Flint

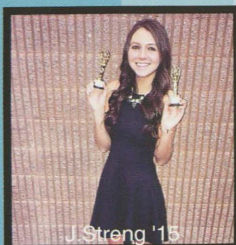

Major: Computer Engineering

Advice: Keep up with your lessons in class. As long as you don't get behind, you will survive high school.

Senior Dedications

Hannah Foy

Congratulations Hannah!

We are very proud of the beautiful person you have become. We wish you good health and great success. You are our blessing and our joy. We love you very much.

Mom and Dad

Jarett Riffel

Jarrett Riffel we couldn't be prouder of you. You're an awesome, sweet, hard-working young man who has no limits to what you can accomplish. May the next phase be as memorable as the last four years have been to us all.

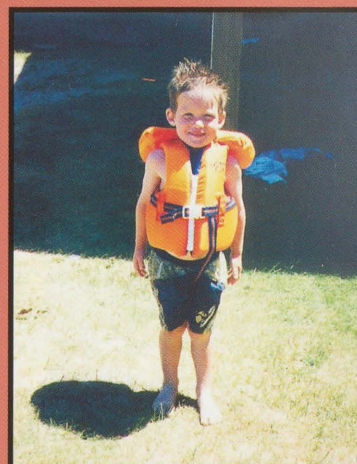

Love always,
Dad and Mom

Jenssen Riffel

Jenssen (Swifty) Riffel – you did it – Congrats.

We couldn't be prouder of you. You're a remarkable, funny, sweet young man who has always brightened our lives. May the next phase bring you nothing but happiness and an awesome future. You can do it.

Love always,
Dad and Mom

Becky Bell

Becky,
Congratulations! We are so very proud of you. You are a beautiful girl, both inside and out, and we love you forever. Always remember to do what you love and love what you do.

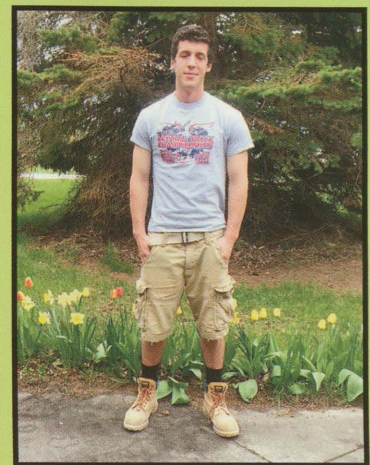

Love,
Dad, Mom, and Chris.

Ryan Trahan

Ryan,

We are so very proud of you. We are proud of all your accomplishments: through academics and athletics, but most of all in the person you have become. Continue to pursue your God given talents, dream big, and make them happen. You are our blessing.

Mom and Dad

Jordan Pollard

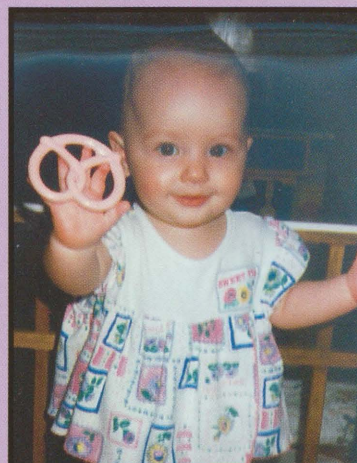

Jordan, Congratulations.
You make us very proud.

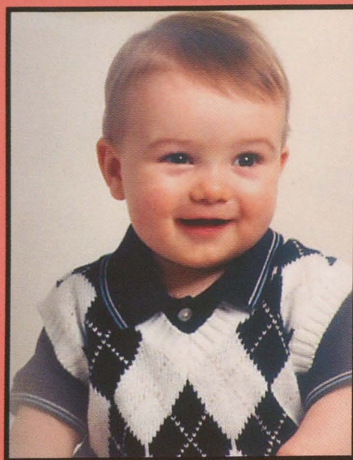

Love,
Mom, Dad, and Conor

Sabreena Hayden

Remember life is ever changing and every obstacle you find is the beginning of a new adventure. Sabreena, the words "GRADUATE" doesn't describe it...it's more like "BRING ON THE NEXT ADVENTURE SHE'S GOT THIS!!!" We're so PROUD!

Mom and Dad

Marshall Snider

We are so proud of the kind-hearted young man that you have become. Remember to have faith in your talents and strive to fulfil your dreams. May God bless you, our Buddy. Love ya – Mom, Dad, Emma, and Madelyn

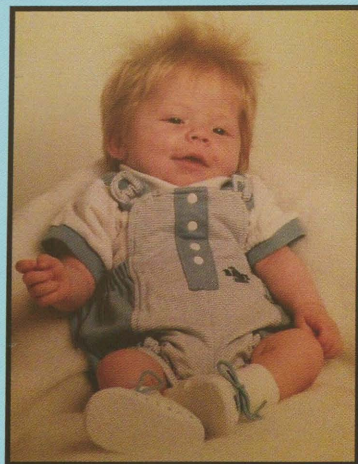

Kinde Obendorfer

Kinde,

Congratulations. We are so very proud of you and of all your hard work and accomplishments. You've grown into such a smart, sweet, beautiful young woman. God truly blessed our family with you. Best wishes for a bright future full of love, happiness, and success.

We love you,

Mom, Dad, Kailey, Grandma, and Papa

Devin Causley

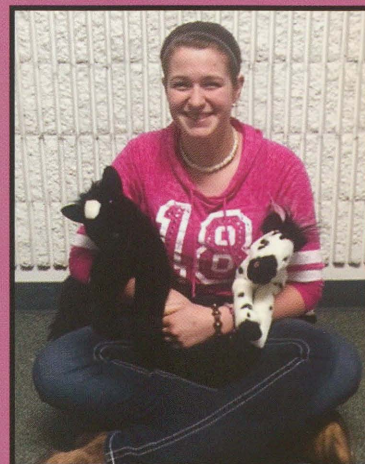

Devin, it's so hard to believe you are already graduating!!! Where has time gone? It's almost as if we've entered some sort of time travel. Know that as you cross that stage and receive your diploma, your dad is looking down and smiling on you. We are all so very proud of the young man you've become and will always be here in all that you do. We couldn't be more proud. Love you buddy, Mom, John, Nick and Kaitlyn.

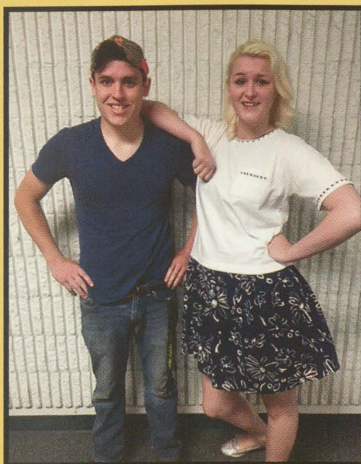

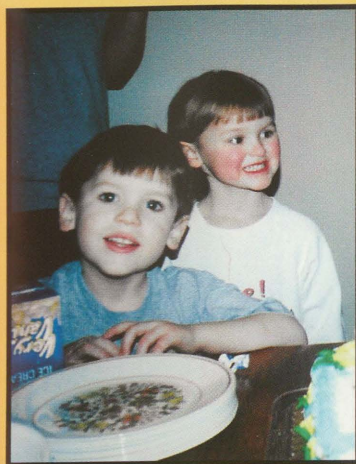

Makiah Ross

Makiah, you are such a blessing to our family and have grown into a beautiful young woman!

Follow your dreams and the passions God's placed in your heart. Always look to Jesus and remember Jeremiah 29:11. We love you more than words could say and are very proud of you.

Love, Mom, Dad, Joey, Maegan, Josiah, Grandma and Grandpa.

Beau Deal & Rachyl

Lyons

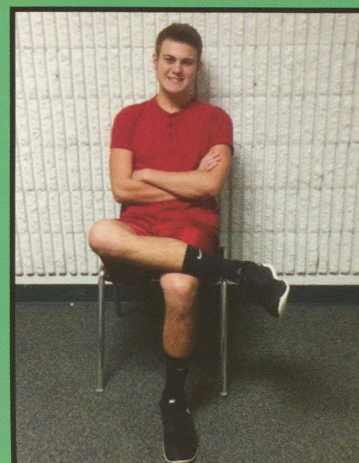

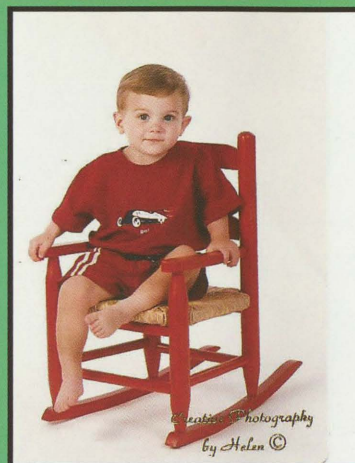

Beau and Rachyl,
We are so proud of your
accomplishments and the
wonderful people you've grown
to be. We love you FOREVER!
Much love, Aunt Dee Dee and
Aunt Jan (a.k.a. your Moms!)

Nicholas Berg

Nicholas, we are truly blessed as parents to have
raised someone as special as you are. You never
stop amazing us. You are a brilliant, determined,
and talented young man. We are amazed with all
your accomplishments, and look forward to the
promising future that awaits you. We are so proud
and honored to have you as a son and brother.

Keep chasing your dreams!

With Love Always,
Mom, Dad, and Adam

Taylor Herring

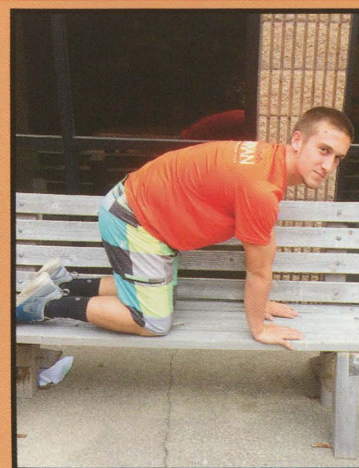

Taylor, your hard work and dedication has
paid off. We are so proud of you! Your
positive choices have led to great
accomplishments. God has a plan for you
to do great things. Stay true to your faith &
values, we thank God for the blessing of
you! All our love, Mom, Dad, Michelle,
Sydney & Mason

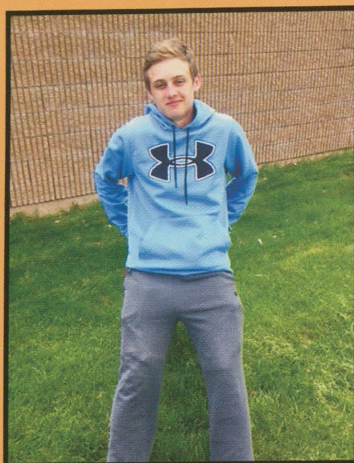

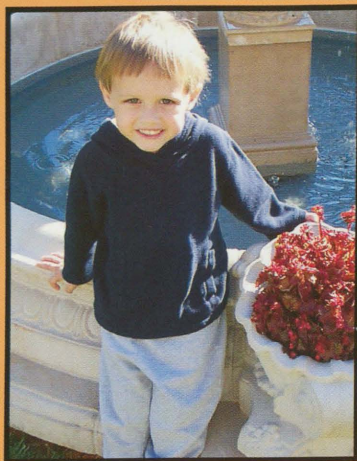

Ryan Schauman

Our wish for you is that this life becomes
all that you want it to. Your dreams stay
big and your worries stay small. You never
need to carry more than you can hold
while you're out there getting where you're
getting to. We hope you know somebody
loves you, and wants the same thing too.

Yeah, this is our wish.

Love, Your Family

Noah Ostrowski

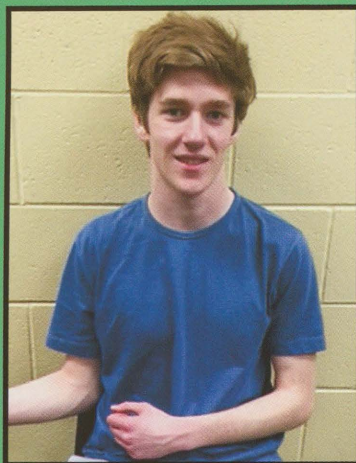

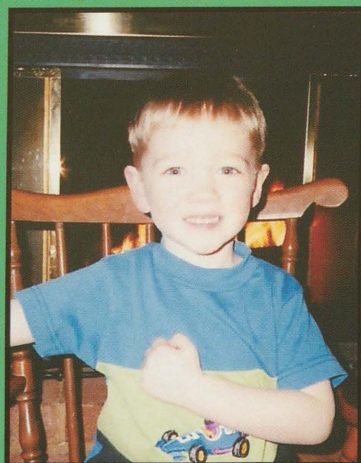

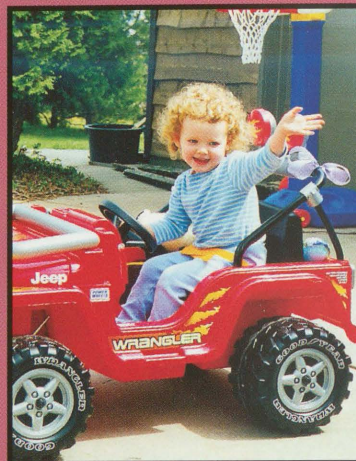

We have been so blessed watching you make and achieve your goals! Continue to use your kindness, humor, and intelligence to make a positive impact wherever you go.

We love you,
Mom, Dad, Megan and Lauren

Madison Franek

Dear Maddie,
Congratulations on your graduation!
We are so proud of you. It seems like yesterday you were driving around the yard in your little red Jeep. Follow your dreams and keep God first in your life.

We love you,
Mom, Dad and Nan

Graham Fitkin

Graham, with your persistence you have accomplished so much so far; keep up your resolve and you will continue to accomplish great things!

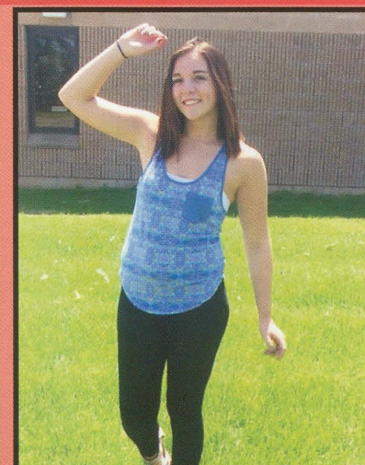

Your humorous personality has endeared you to us and many others.

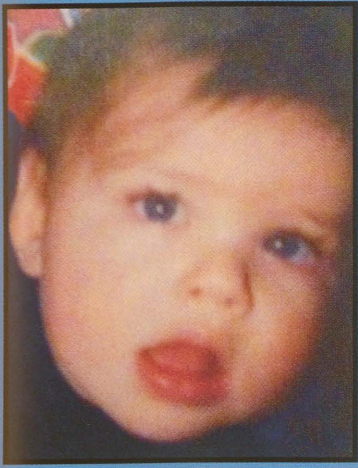

We love you!
Dad, Mom, Glenn, and Jane

Melanie Padgett

My Melbel,
There aren't enough words to describe how proud of you I am in all you do, have done, and will do in the years ahead. Your smile and spirit brightens everyone around you, especially me. I love you with all my heart.

-Mom

David Bazler

David, you have made me proud, and I know your dad would be so proud of you if he was here with us. Keep working hard and go for your dreams.

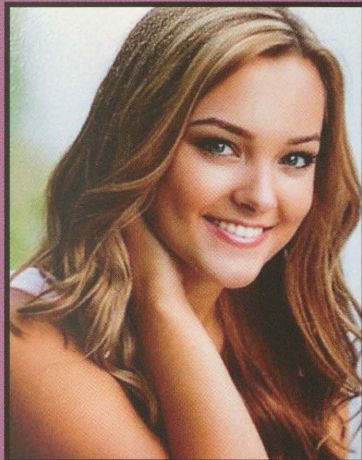

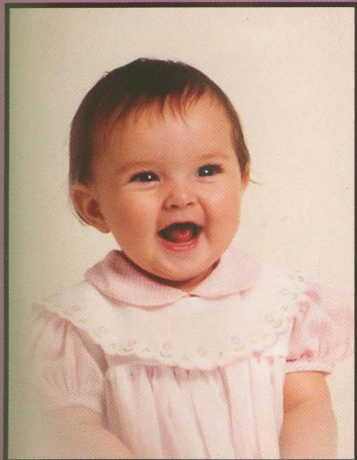

The sky is the limit.

Love, Mom, Jason, Sarah, Mary, and Robert

Nicole Lelo

Nicole, we are so proud of you and all of your amazing accomplishments throughout the last eighteen years. We know with all your determination and passion for life any goal is reachable.

We love you very much,
Mom & Dad

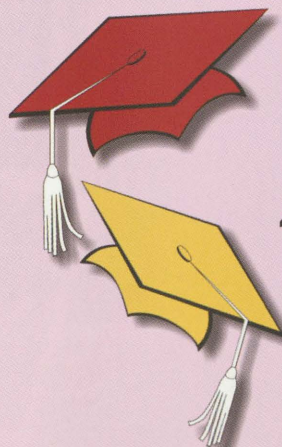

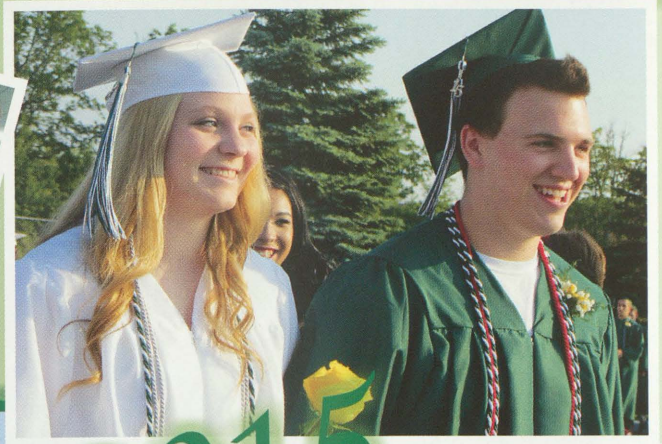

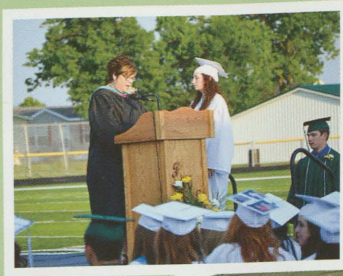

Kendal Mason

From the moment you were born, to playing with barbies, riding your bike and playing Marco Polo, you have filled our lives with joy. Your future is bright and God has surrounded you with people who love you and want God's best for you.

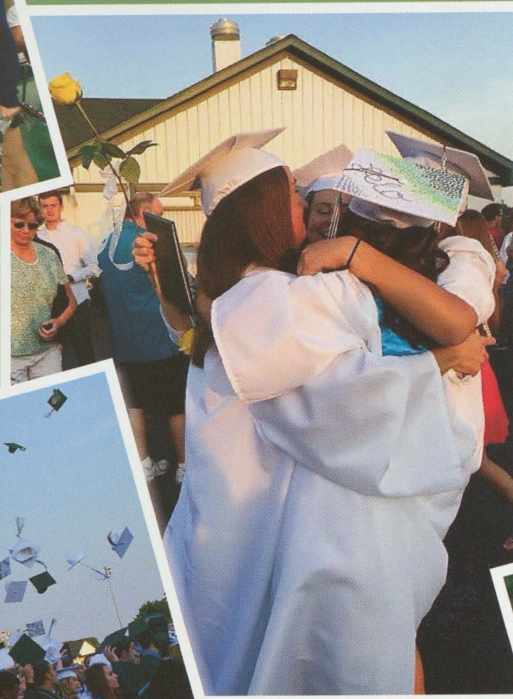

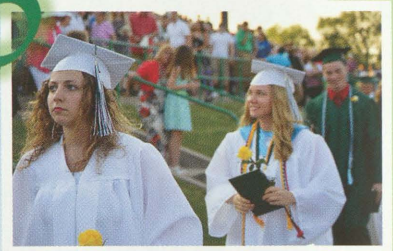

Love,
Mom and Dad
